Industry's Best Investment Protection and Cost of Ownership

Living Technology

Living Technology is a constantly evolving software-based approach to providing our customers with easily upgradeable enhancements made possible by both of our core imaging technologies: ZONE Sonography and mQuadro. These upgrades secure product investment protection by ensuring that Mindray ultrasound systems remain at the cutting-edge of imaging performance excellence throughout their entire life cycle.

The Z.One PRO standard five (5) year warranty* includes:

- Replacement parts (normal wear and failure), including cart, scan module, and standard transducers
- Onsite labor for cart related repairs
- Ongoing state-of-the-art ultrasound performance with software updates**

* Standard five (5) year warranty is available for systems purchased directly from Mindray North America. Warranties for systems purchased from Mindray authorized agents can vary.

** Upgrades, such as new application packages and hardware, are optional purchases.
